### Message from the President

FSC has launched 2023 with lots of fun activities. Members can choose from overnight ski trips, day ski trips, hiking, snowshoeing and lots more. The Book Club met in January and selected a great line up of books for the year. The FAC meets at 4pm on Fridays for socializing with friends at the restaurant El Rincon Cocina Y Tequila, 2350 Arapahoe Ave, Boulder. You will find more information about FSC activities in this newsletter. The Nominating Committee is being formed for 2023. The Nominating Committee will be searching for candidates to fill open Board positions. Let me know if you are interested in serving on the Board and/or Nominating Committee. FSC members will vote on the slate of Board members at the April General meeting.

As many of you saw in an email Linda G sent to membership recently, I have put together a Google spreadsheet of senior skiing groups in the United States. (Yes, it was me, not some other Rosie Piller!) I did this with input from a woman named Bunch senior skiing group at Alta, of state and want to connect with goes!

Harriet Wallis, who organizes the Wild Old UT. I hope you will find it useful if you travel out other senior skiers. And do let us know how it

It's a work in progress--surely there I welcome your input! But please DO additions; rather, use the method spreadsheet.

are groups to add and corrections to make, and NOT flood my email account with corrections or described at the top of the Google

The Google spreadsheet is here:

### **Importance of Handwashing!**

This is for everybody in gatherings that participate in potlucks, group meals, and buffets. With Covid and variants and other respiratory illnesses still making rounds, let's all be diligent about handwashing. Event coordinators, please provide hand sanitizer in areas where food is being prepared and served. If you sneeze or blow your nose or cough on your hands, please wash your hands again before handling food. If anyone sees someone failing to wash their hands in these circumstances, please let them know diplomatically that they are expected to do so.

### **Skier and Snowboarder Safety Reminder**

I encourage everyone to pay attention to the club's directives on safety. The club's rules say for the safety of the group, members must participate only in activities that are well within their current physical capabilities, endurance, and skills. Otherwise, it can endanger and inconvenience the group. Also a few tips on staying safe on the slopes. There have been a few people in our club who have been hit by other skiers or snowboarders. I have had some near misses. I encourage everyone to be very vigilant about who is around them. I recommend when you stop on the slope, stay as far to the side as possible and stay visible from above. If you see snowboarders or other skiers approaching, I recommend letting them go ahead of you. If I get near another person on the slopes I call out "on your left" or "on your right" and I encourage others to do likewise. Keep in mind that a lot of people have been smoking marijuana, are listening to headphones, and are oblivious to others on the slopes. Also, supposedly everyone has read the skiers safety and responsibility act, but a lot of people don't pay attention to it and don't practice safe snow sports habits. Ski defensive!

Arnie Mullen, Safety Chair

## **Monarch Mountain & Wolf Creek Jan. 31 - Feb. 3, 2023**

Please join us for our second combined Flatirons Ski Club trip to Wolf Creek and Monarch Mountain. This year we will have a three-night stay at The Baymont by Wyndham in Salida and you can travel to the ski area of your choice, Monarch Mountain or Wolf Creek. The drive to Wolf Creek Ski area from our hotel is two hours, mostly on an easy stretch of Highway 285, while the drive to Monarch is 30 minutes mostly up Monarch Pass. We are hopeful that both areas will have great snow this year, but we can opt for either one depending upon conditions.

### **Our stay at The Baymont hotel will include:**

**SNOW MOUNTAIN RANCH  
YMCA OF THE ROCKIES  
February 6 – 9, 2023**

Snow Mountain Ranch in Fraser is a wonderful location for cross country skiing with miles of groomed trails. Snow Mountain Ranch offers snowshoeing, swimming, roller skating, arts & crafts, cross country skiing, and many other activities.

Downhill skiing is located nearby at Winter Park, Mary Jane, and Granby Ranch. Cross country skiing also is available at Devil's Thumb and other sites nearby to Snow Mountain Ranch.

The accommodations include two reunion cabins with seven bedrooms. The trip fee includes use of most of the YMCA facilities, meals, and lodging. Trip attendees prepare the group meals at the cabins, and food is available to take for lunch. The trip fee includes SMR trail pass, meals, and lodging.

If the two cabins are full and additional members want to join this trip, it may be possible to reserve lodge rooms for the overflow.

Cost: \$165 per person

Payments: (\$40 was due on 10/5/22 and \$125 on 12/01/22)

For additional information, please contact Beth Gaffney or [beth.gaffney.boulder@gmail.com](mailto:beth.gaffney.boulder@gmail.com)

## **Snowy Range 2023 February 14-16 (2 Nights)**

Snowy Range Ski Area is beautifully nestled within the scenic Medicine Bow National Forest in southeast Wyoming. There's downhill skiing as well as many trails for cross country skiing. It's an easy drive with no mountain passes or tunnels to navigate and it's only about 2 1/2 hours from Boulder!

We will stay at the rustic and charming Old Corral Hotel which is in Centennial WY (2750 Hwy 130). The Old Corral Hotel is only 4 miles away from the ski area, which is really convenient. **The trip fee of \$110 (decrease of \$20)** per person is based on double occupancy, and it includes 2 queen size beds, with mini fridge (microwaves in common area). The Hotel is within a 5-minute walk to Mountain View Café or Bear Bottom Bar and Grill which is very handy for dinner or breakfast. The Steakhouse, adjacent the Hotel, will likely be open for Valentine's Day dinner as well.

There are usually few people skiing mid-week at Snowy Range and I must say it's a nice change of pace. Another really great thing is that the price of a day ticket (18-69 yrs) is only \$49 and everyone 70+ is free! So please join us as we ski Snowy Range Ski Area, Wyoming, 2023.

The payment of \$110 minus the \$35 (equals \$75) per person deposit was due by December 15th by mail to Jan Knies (see FSC membership roster). Be sure to make checks payable to Flatirons Ski Club.

Please call or text me with any questions.

Jan Knies, Trip Coordinator

### **FSC Book Club**

**DATE:** Monday, February 13, at 6:45 PM  
**PLACE:** Zoom Meeting  
**DISCUSSION LEADER:** Caryl Shields  
**BOOK:** **The Tie That Binds** by Kent Haruf

Colorado, January 1977. Eighty-year-old Edith Goodnough lies in a hospital bed, IV taped to the back of her hand, police officer at her door. She is charged with murder. The clues: a sack of chicken feed slit with a knife; a milky-eyed dog tied outdoors one cold afternoon. The motives: the brutal business of farming and a family code of ethics as unforgiving as the winter prairie itself. Here, Kent Haruf delivers the sweeping tale of a woman of the American High Plains, as told by her neighbor, Sanders Roscoe. As Roscoe shares what he knows, Edith's tragedies unfold: a childhood of pre-dawn chores, a mother's death, a violence that leaves a father dependent on his children, forever enraged. Here is the story of a woman who sacrifices her happiness in the name of family - and then, in one gesture, reclaims her freedom.

**Avalanche Ranch**

The Ranch has gotten increasingly popular; hence we check in on a Tuesday and leave on a Friday. That is why we have gone to a weekday trip this year and next. Yes, we have reservations for next year, too. Then we will be checking in on Sunday, October 6, and leaving on Wednesday October 9, 2024. For those of you, who have experienced the Ranch, you know we can be awed by some wonderful fall colors. Views of snow-covered Mt. Sopris from the hot soaking pools are very hard to beat! Enjoy great hiking, and the onsite hot spring pools are open 24/7 for our enjoyment! For those who have not experienced the Ranch, I invite you to treat yourself to a wonderful, fun trip.

The Ranch is located along the Crystal River about ten miles south of Carbondale. There are a series of cabins and the Ranch House where we will meet for our dinners. The club typically provides chili the first night and salmon another night. For those who have experienced the Ranch and may be asking, why aren't we going during their Apple Festival. Well, the dates weren't available one, and even two years out!

I will let you know when the sign up will begin. It is a smaller trip with a limited number of spots. Mark your calendars!

Tom Cannon - Trip Organizer

## Practice kindness, gratitude, and generosity.....

We are quite fortunate to have the health and financial means to attend FSC activities. Please keep in mind that those who clean your rooms and wait on you are often not as fortunate. Please be generous with your tips, unless you know for certain that they are included in the trip price. I would love for us to have the reputation of being kind and generous guests.

Also, please be mindful of deadlines. Our trip coordinators work extremely hard to line up lodging and need to make deposits and final payments in a timely manner. If there are ANY changes to your trip plans, please notify the trip coordinators as soon as possible. If a room is reserved for you and you cancel, often it is difficult to get that room deposit returned. The earlier your cancellation, the better chance of finding a replacement.

Thank you,  
Martha Parks
