NEXT GENERAL MEETING WILL BE JANUARY 3RD, 7 PM AT THE UNITARIAN UNIVERSALIST CHURCH OF BOULDER 5001 PENNSYLVANIA AVE, BOULDER, CO 80303

Message from the President

Happy New Year! The Flatirons Ski Club has lots of fun activities planned for 2024. Day ski trips are underway, and overnight winter trips begin in January. Snowshoe hikes will be starting soon, and the regular hikes are continuing depending on the weather. The next FSC General Meeting is scheduled for January 3rd and see Louisa Young's article for information on the program. The FSC Book Club is busy selecting the list of books for 2024 and see Richard Patnoe's article for more information.

Thank you to all our volunteers! Thank you, Elease Miller, and all of her volunteers, for a very successful Holiday Party. Dorothy Cohen is working on spring, winter, and fall trips. Contact Dorothy if you have ideas and/or would like to volunteer to help with a trip. Enjoy the winter Season!

How to Stay Safe and Avoid Collisions on Today's Ski Hill

What can you do to make sure that you have a fun and safe day every time you hit the slopes? It can be a bit unnerving at times, with more crowded ski runs and some skiers/riders who may not be aware of their obligations under the Skier and Snowboarder Responsibility Code. But there are things you can do to improve your own safety, as well as that of others on the hill.

A Copper Mountain Safety Patrol (MSP) long-time member and Team Leader, Dwight Hill, will share actions that you can take to avoid getting hurt on the ski hill this season. He'll talk about planning your ski day and preparing yourself to have a fun and safe day, as well as the useful strategies MSP members learn and practice every day to keep themselves and others safe.

Copper Mountain Safety Patrol is a one-of-a-kind program that trains and provides volunteers to slow down skiers/riders on the 2 family runs at Copper Mountain; educate guests about safe skiing/riding; assists ski patrol with injured guests; and provide a wide variety of guest services to the skiing and riding public.

Joe Golden, the speaker of the FSC December meeting on Global Climate Change kindly provided source of reading material:

Suggested Carpool Fees for FSC Overnight Ski Trips 2024

After conferring with trip leaders and the Board, we did not feel it necessary to change the suggested carpool fees for this season's FSC overnight ski trips. These fees are loosely based on gas prices at \$3.50/gallon and a suggested carpool fee of 7 cents/mile, but keep in mind that driving incurs wear and tear on the car and can be stressful for the driver! They are guidelines only, and subject to change if recently volatile gas prices settle at a higher level.

Destination	Round Trip Mileage (from Central Boulder)	Suggested Carpool Fee (7cts/mile)
Crested Butte (Cristiana)	480	\$35
Steamboat	325	\$25
Monarch (Salida)	310	\$25
Snow Mtn Ranch & Fraser	175	\$15
Snowy Range (Centennial)	320	\$25
Aspen (Carbondale)	355	\$30
Ski Cooper (Leadville)	215	\$20

Notes:

- The carpool fees above do not include daily driving to the ski areas or restaurants from the lodging. These need to be figured out separately.
- Take into consideration the number of people who are in the car.
- Pricing is ultimately at the discretion of the driver and the type of vehicle in use.
- To avoid misunderstandings, discuss carpool fees prior to your trip departure.

Enjoy the season!

Richard Varey, Downhill & Nordic Ski Chair

Practice kindness, gratitude, and generosity.....

We are quite fortunate to have the health and financial means to attend FSC activities. Please keep in mind that those who clean our rooms and wait on us are often not as fortunate. **Please be generous with your tips, unless you know for certain that they are included in the trip price.** We would love for us to have the reputation of being kind and generous guests.

Also, please be mindful of deadlines. Our trip leaders work extremely hard to line up lodging and need to make deposits and final payments in a timely manner. If there are ANY changes to your trip plans, please notify the trip coordinators as soon as possible. If a room is reserved for you and you cancel, often it is difficult to get that room deposit returned. The earlier your cancellation, the better the chance of finding a replacement.

The Trip Leaders & Treasurer Thank you!

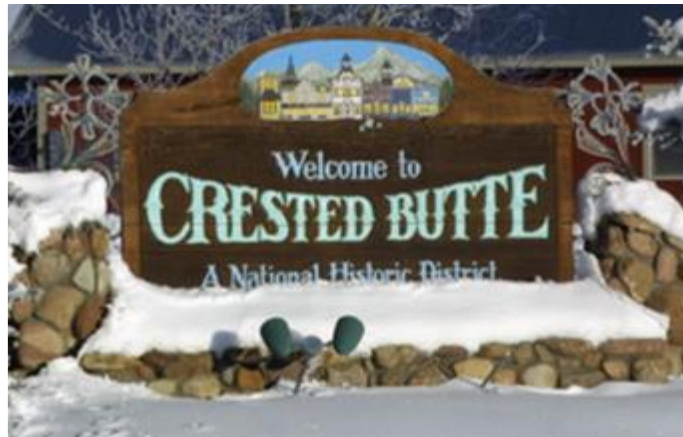

Hi everyone,

A friend of mine (not in FSC) was badly injured at Copper Mountain this month. Another skier collided with him from behind and he suffered a shattered shoulder. The other skier did call the ski patrol, gave them his contact info, and expressed his apologies. My friend had surgery and now has an artificial shoulder and a 4-month recovery. He thinks he might never ski again because if he reinjures that shoulder, another surgery would be difficult and risky. Therefore, I want to give a few more tips to prevent collisions, some of which were told to me by Copper Mountain Safety Patrol.

They said unless you are straightlining down the mountain (which is not safe), look around as often as possible to know if someone is close. Remember, snowboarders have a blind side and can't see a lot of others on the hill. If you are making wide turns, look before you turn. Stop where you are visible. Make sure your ski edges are sharp so you can turn and stop quickly if the snow is hardpacked or icy. As much as possible, think about letting others go in front instead of behind you. If you are passing someone and are close, call loudly "on your left" or "on your right".

The Copper Mountain Safety patrol will do a presentation on skiing safety at the next general meeting on Wednesday January 3. Please come with suggestions and comments about safety on the slopes, especially if you have had others collide with you.

Thanks & be safe on the slopes.
Your FSC Safety Chair,
Arnie Mullen

Snowy Range 2024 February 20-22 (2 Nights)

Snowy Range Ski Area is beautifully nestled within the scenic Medicine Bow National Forest in southeast Wyoming. There's downhill skiing as well as many trails for cross country skiing. It's an easy drive with no mountain passes or tunnels to navigate and it's only about 2 1/2 hours from Boulder!

We will stay at the rustic and charming Old Corral Hotel which is in Centennial WY (2750 Hwy 130). The Old Corral Hotel is only 4 miles away from the ski area, which is really convenient. The trip fee of \$102 per person is based on double occupancy, and it includes 2 queen size beds, with mini fridge (microwaves are available in the common area). The hotel is within a 5-minute walk to Mountain View Café or Bear Bottom Bar & Grill, very handy for dinner or breakfast.

There are usually few people skiing mid-week at Snowy Range and it's a nice change of pace. Another really great thing is the price of the day ticket (18-69yrs) is only \$49 (last season) and everyone 70+ is free! So please join us as we ski Snowy Range Ski Area, Wyoming, 2024.

Please contact me with any questions.

Janne Cookman, Trip Leader

Fraser/Winter Park Trip Feb 27-March 1, 2024

For many years, the Ski Club has sponsored a trip to the Fraser House, which is located north of Tabernash. It's a large home, able to accommodate 18 people. Some are bunk beds. In the last few years, COVID has caused us to limit participation to 10 people, but with relaxation of restrictions, we can accommodate 18. It's a beautiful setting in a subdivision.

Downhillers can easily reach Winter Park or Granby Ranch. Those who prefer Nordic skiing or snowshoeing have many choices: Snow Mountain Ranch, Devil's Thumb, Colorado Experimental Forest, or the west side of Rocky Mountain National Park, among other options. No lift tickets or passes are included in the price.

Protein main dishes will be provided on Tuesday, Wednesday and Thursday, and breakfasts will be available on Wednesday, Thursday, and Friday. Makings for a sandwich and fruit lunch will also be provided. Participants are expected to bring 3 side dishes, salads, or dessert (one for each dinner).

There are several openings for this fantastic trip. Louisa Young is the new leader. Final payments are due now. The total cost is \$120 per person. Make checks payable to Flatirons Ski Club and send them to Louisa.
